OKITE® - IL PROFILO AZIENDALE

Cinquant'anni di storia fanno del gruppo in capo ad OKITE® una delle più importanti realtà industriali del Sud Italia.

Un successo figlio della capacità imprenditoriale, dell'entusiasmo, della motivazione e della determinazione di una realtà industriale che ha fatto della ricerca della qualità la propria missione.

OKITE® - LE UNITÀ PRODUTTIVE

Le diverse società del Gruppo hanno accumulato una grande conoscenza ed esperienza garantendo un'alta qualità dei prodotti e del livello di servizio nei diversi settori in cui esso opera, dal mondo dei prefabbricati ai progetti di ingegneria civile, fino alla produzione di agglomerati di quarzo.

La struttura produttiva di OKITE® è attualmente articolata in due unità produttive situate nel cuore antico dell'Italia, a circa 50 chilometri dall'incantevole Costiera Amalfitana.

OKITE® - COMPANY PROFILE

After 50 years, the Group at the head of OKITE can proudly claim to be one of the most important industrial group in the South of Italy. This success was based on the entrepreneurial skill, enthusiasm, motivation and determination to succeed of a Group whose mission has always been the search for quality.

OKITE® - PRODUCTION UNITS

The different companies within the Group have accumulated a vast reserve of knowledge and experience, which ensure the high quality of their products and services in every sector where the Group is operating, whether it is for prefabricated products, or in civil engineering projects, or the production of mineral materials. OKITE's structure currently consists of two production units located in the ancient heart of Italy, 50 km. from the enchanting Amalfi Coast.

OKITE® 8057 Calacatta Apuano

8057 CALACATTA APUANO

Its design presents with intensity, characterized by a warm white background and light gray veins that resemble delicate brushstrokes.

Elegant and precious, it is perfect for residential and commercial environments with refined taste.
